**BEGINNERS' CLASS** resumes at March meeting.

**DAYTIME GROUP:** The next meeting to be held at Lou Kesting Hall, Dover Square, off Broadway, South Brighton on Thursday, 11<sup>th</sup> February 2010 at 2pm. Guest speaker: Mr Brian Matthews who will talk of his experience both in the Zoo and tracing some animals in the field. 12.30pm Luncheon Club will provide meat, fruit salad and ice cream. Please bring a salad to share.

**SOUTHERN REGIONAL GROUP:** The next meeting will be held on Sunday 21<sup>st</sup> February 2010 at 2.00pm in Carrickalinga House, 17-19 Torrens Street, Victor Harbor. The Guest Speaker will be Jill Taylor

**LIFE MEMBER**

Dorothy Carassai joined the Club in February 2001. Murray Baulderstone saw potential of this new member and in April 2001 asked her to consider becoming a Committee member. Dorothy has always been available to help where necessary. She has held many positions in the Club including Daytime Convenor, Trading Table Convenor, Assistant Treasurer, Assistant Secretary and Assistant Show Marshall. Dorothy is a great asset to this Club. Your Committee recommends her as a Life Member.

<b>Junior Membership</b>	<b>\$17.00</b>

### **Rural and Interstate Membership**

<b>Family Membership</b>	<b>\$29.00</b>
<b>Single Membership</b>	<b>\$23.00</b>

### **BEGINNERS' CLASS**

The Club's Beginners' Class needs a member with a wide knowledge of all Genera to be prepared each month to sit in on Beginners' Class and share their knowledge with fellow members. In the past we have had a different member each month to talk at the class, and this has worked very well. There is always room for improvement and I feel this way the instructors will get to know members and cater to each member's needs.

## **PRESIDENT'S MESSAGE**

I wish every member a happy and prosperous New Year. May the elements be kind to orchid growers and I hope you all have a very successful and satisfying year with your orchids.

Cym growers are reporting spikes already in existence in their collections. The elements have not started as we would like. Let's hope as we move forward in 2010 that cool nights prevail.

At our December meeting 2009, 72 members attended from main Club and the Groups, it is so nice to see all members sharing a common interest. Our guest speaker, Father Christmas and Ben Knoben are to be congratulated on jobs well done. Ben and Trevor are both members of The Orchidaceous Society and each year come along to help make our Christmas party a great success. This is what Clubs are all about – helping each other.

This is my final report for 2009 and it is essential that I recap on the events and achievements of the past year. Thank you to all the following people. To our guest speakers, your time and knowledge is very much appreciated. To our judges for all the time and support you give so freely to the Club. To committee members, always there when needed and all members who assist in the background. What would we do without members such as Peter and Lesley Fenton, Bev Gay, Fisher family, plant sellers, Daniel, Henk, Helmut and Ursula and John Carassai.

I would also like to thank Keith Northcote who had the foresight to start our Daytime Chapter years ago. Our elderly members would not miss their afternoon with Dorothy. Two members are well into their 90's. We also have a number of younger members joining this group. Thank you Dorothy for being so caring and running this Daytime Chapter in such a professional manner.

There is always excellent attendance at Southern Regional Group meetings. Thank you to judges, guest speakers and Trevor Garard for their trips down to Victor Harbor each month. The members do appreciate your help. The Show in August at Victor Harbor was very successful.

During the year the Club took part in the SAROC Fair, 2 Shows at Colonnades and one at Arndale and the Royal Adelaide Show with several members achieving prizes in the judging. Thank you to all members who participated.

We have made some positive steps forward for 2010, our own website is up and running. Thank you to Rod McRedmond for his computer skills. We have a new site at Castle Plaza and a very strong committee with great new ideas.

I will stand for President in 2010 however one of our aims is to find a new President for 2011. I will be 78 in 2011 and find I am starting to slow down a bit.

I have always offered my very best to the Club and I will do this in 2010 but it's time for me to slow down. I will then be Past President for 1 year and possibly still on committee, let's wait and see.

Once again I have enjoyed being your President in 2009. Thank you for your support.

Finally we have had bereavements and some of our members have been very ill. Our thoughts are with those families.

Committee members wish you all a very Happy New Year and a successful year with your orchids and may your hobby give you lots of pleasure.

Good growing,  
Geoff.

## Audit of South Coast Orchid Club Inc

### Financial Statement to 31 December 2009

#### **Notes to Treasurer / Committee**

Congratulations on rescuing the South Coast Orchid Club Financial records.

I have issued the audit statement as I believe that the Statement of Income & Expenditure to 31 December 2009 adequately reflects the correct financial activities of the club during the year.

I issue the statement without try to sort out the mess in the April to June period.

From your explanation, and the alignment of all the remaining months statements, I am assured that you have re-constructed the financial movements over those three months to the best of your ability.

I do not have a copy of the Committee minutes but I assume the committee was delighted with your efforts to get the financial records back in order.

I am disappointed in the statement from Mr Gallagher where he is clearly wrong in stating that receipts had not been banked in February 2009.

I would request a retraction of that statement, but I will leave that to you and your committee to sort out.

Best wishes for 2010.

Finally, I need to advise you that I have been reducing my activities associated with a number of clubs. I have enjoyed working with you and auditing your books but I regret to advise that I will no longer be available to audit the South Coast Orchid Club books in future.

Regards

Paul Schmerl

***Treasurer***

I certify that I have examined the cash book, receipts, invoices, bank records and other financial records of the South Coast Orchid Club Inc for the year ended 31st December 2009. From the records produced, I have formed the opinion that all transactions processed have been accurately recorded in the journals. From these records I have formed the opinion that the Statements of Income & Expenditure and records of assets and liabilities represent an accurate assessment of the financial position of the Club as at the balancing date and for the year ended 31st December 2009.

## **DAYTIME GROUP REPORT**

Hi Everyone,

Well, another year has nearly gone, each year seems to go a bit quicker than the previous one, now just a little bit more spare time is available to me (for at least a month) just as well with all the hot weather, now I can keep an eye on the orchid plants and catch up with a few jobs around the house.

Our meeting today was very well attended, everyone in Christmas mode, we sang a few carols and everyone was in fine voice but I think for next year will try for more music. Bill has offered, so will see what can be arranged for next Christmas.

Mr. Noel Oliver was our guest speaker (his usual task each year at this time) and we do thank Noel and Eileen for coming from Victor Harbor for this meeting. Noel's talk today was on various mixed Genera Orchids, all the types that Noel grows very successfully, he had quite a lovely assortment, mostly in flower for us all to admire. He explained his growing conditions with the requirements of the different plants and I'm sure all the members will perhaps feel encouraged to grow a few different genera in their collections. Thanks Noel for another successful and informative talk.

Father Christmas also was able to call in for a short while to wish us all a Merry Christmas and a Very Happy New Year. We all received a small gift and he was quickly on his way again, things to do, people to see.

Apologies today from Mrs Barbara Randall, Merry Christmas Barbara, we hope to see you again in the New Year.

Our plant commentary was done today by Noel (doing a great job) being an orchid judge and a very successful grower, he knew what he was talking about. Thanks Noel, well done.

Mr. Don Biebrick's Cattleya, Summer Stars x Ehi Marie x Purpurator, a lovely plant, well grown, with lovely mauve flowers with a beautiful darker mauve marked lip was voted best in display. Congratulations Don, well done. Thanks also to the other members who brought in their plants to show and share with us. A big thank you also to the members who brought in a few spare plants to add to our raffle, this was very much appreciated.

Our bring a gift, receive a gift segment went off nicely, each member receiving a gift which I hope they were happy to receive.

It was good to have Mrs Eva Soar with us again today, Eva has had three trips to the hospital during the past month. Geoff very kindly picked her up and returned her home safely, so well done Eva and thanks Geoff.

Our meeting was closed after a very good afternoon of entertainment and afternoon tea which was a fantastic spread and very plentiful as each member brought in a plate to share, and they really excelled themselves. There wasn't much left either. Thank you all on a great effort.

Finally, I would like to wish you all a happy, healthy and a safe New Year, and I hope to see you all again in 2010.

Bye Dorothy.

8277-1793

The Members listen with rapt attention as Noel imparts some interesting information.

## **SOUTHERN REGIONAL GROUP**

Committee and members would like to wish you all a very happy New Year with good growing and showing.

Let's recap over 2009, not a growing year membership wise for your group, but in every other aspect you have gone ahead in leaps and bounds. You are growing very good orchids and are so interested in gaining knowledge, with pens and pads out jotting down info from each guest speaker. We now have a venue for your show each year. This is a real plus, and your venue to hold meetings is secure for the next 12 months. The plants you bring in each month for judging are a credit to you all.

Congratulations to K. and R. Sutton, Trophy winners for the Brian Leedham Trophy highest aggregate points for Australian Natives 2009.

Let me take this opportunity to thank Noel Oliver, Colin Campbell and other judges for coming to Victor Harbor each month to assist with judging. Noel you are a real gem, the knowledge you pass on to members in your commentaries is wonderful. Trevor, thank you for all your help with the Beginners' group. Time is valuable and you all give your time so freely.

The year was not kind to many members from the S.R. Group with the passing of Brian Leedham and David Freeman and many of your members have been very ill. We wish you a much kinder 2010.

Overall a great year and committee will arrange more advertising to promote your Group in 2010. Committee and judges have approved to have first and second Division judging as from February meeting 2010. Another great achievement for Southern Regional Group. Keep cool.

### **JUDGES REFLECTIONS ON 2009 – South Coast Southern Regional Group**

The year 2009 was very successful, with good attendances at all meetings. Over the year we had a variety of speakers, some of them judges, which made it very interesting. The quality of plants presented at meetings for judging has improved, making it difficult to choose 'PLANT OF THE DAY'.

The members are very enthusiastic, and are keen to attend the 'Beginners Group', asking many questions for the presenters to answer.

I must give mention to Colin Campbell for his assistance during the year, also many thanks to Lucy and Geoff for their time and effort for making these meetings enjoyable.

Wishing you all a Happy New Year, with good health and good growing in 2010.

## Plant Commentary December 2009 Meeting:

**Flower of Division – First Division:** *Lc.* Chit Chat 'Tangerine' benched by Eileen Pinock.

This was a mature well-grown plant with many canes, seven of which carried inflorescences of from three to nine fully open flowers. Flowers were about 50mm wide and 60mm tall, there sepals and petals were bright orange as was the labellum which became a little paler towards the base. *C. aurantiaca*, which can have flowers from yellow to bright orange, is one of the parents of this plant.

**Flower of Division – Open Division and Flower of the Night:** *Phrag.* Geralda benched by Geraldine and Peter Flavel.

This was a robust plant of three growths and a single inflorescence, a progressive flowerer with two open flowers and a further two buds still to open. One flower was 50mm wide and some 180mm tall while the other was 75mm wide at the bottom of the petals and 150mm from the top to the ends of the petals. The dorsal and ventral sepals were cream with light striping and some pink shading. The petals were pale pink with darker pink edges and darkening towards the tips and the pinkish pouch was overlaid with green and was spotted in red inside.
