### **Let's Start 2013 with a Social Event**

Our yearly January BBQ. is very popular and next year we will have it on 9<sup>th</sup> January 2013 at the St. Bernadette's Church Hall in the courtyard starting at 6.30pm. A great start to 2013. Please bring a salad or cake, finger food please.

Some members like to have the BBQ stay and chat for a while then leave before dark, that's fine, it is your night. Others have asked for a repeat (like last year) with Graham Zerbe to present "Plant of the Year 2012". Graham is only too happy to put this program together so we can reminisce over 2012. Thank you Graham.

Please bring your Orchid along for Popular Vote \$1.00 to enter, winner has the proceeds.

## **PRESIDENT'S MESSAGE**

On behalf of South Coast Orchid Club of S.A. Inc. Committee and I would like to extend Seasons Greetings for Christmas and New Year 2013 to you all.

Committee members were very pleased to welcome all the new members who have joined our Club this year, some very enthusiastic growers and others who are first time growers and very excited about their new hobby.

Our Winter Show at Hallett Cove was a great success. Redevelopment at Arndale meant a change of venue this year for our Spring Show. Never mind, next year we will be back there again in a modernised shopping centre.

Exciting news, we are again back at Pasadena Shopping Centre. This was our site a few years ago and owing once again to re-development we had to go elsewhere.

Very pleasing to see the Beginner's Class having good attendance once again. Vicki Cooper is the Co-ordinator and is doing a wonderful job of showing members how to grow their orchids. The discussion groups are great for learning,. We can all learn from each other.

There have been many questions about a 2013 bus trip. Yes, we will go to Moss Bray's Nursery. Peter Hennessy is organizing this. Probably we will finish up at Middleton Hotel for lunch with a few exciting places to visit on the way.

I have had enquiries about another weekend trip. Maybe we can have one in 2014.

Thank you to Committee and members for all the support you have given me in 2012.

Happy Festive Season,  
Geoff.

## **DAYTIME CHAPTER**

Hi Everyone,

Our meeting today was another great afternoon for the members that was full of information, a potting demonstration and a Power Point Presentation on the Sarcocilus Orchid. The whole program was very professionally created by Mr. George Abel, a club member for many years with a passion for this genera of orchid. George has been very busy recently being in demand everywhere, So thank you George for sharing your expertise and knowledge with us. The flowers on screen were lovely to see. Such a great diversity of colours now being produced. Some of the members were able to purchase plants. There is always room for one more, they don't take up much room.

Apologies today from Peter and Geraldine Flavel and Mrs Shirley Gordon. Do hope to see you all again soon. Best wishes for good health to you all.

Please members don't forget our break-up for this year is on December 13<sup>th</sup>, A plate of goodies to be shared for afternoon tea would be appreciated. Our bring a gift, receive a gift segment is also happening, so if you would like to participate in this, a gift to the value of \$5-6 will be required to swap over for another gift of equal value, we all seem to enjoy this segment. A few Christmas carols will also be sung so I hope you're all in good voice.

The popular vote segment today was won by Mr. Lance Davis, with a lovely softcane dendrobium Plant Den. 'Corona', a medium sized plant with several lovely flowers pink/mauve with white markings and a very dark purple labellum. Congratulations Lance and well done. I hope Barbara is also feeling heaps better. Thanks also to all of the other members who brought in their plants to share with us all, many different Genera which were all praised and talked about in detail by Geoff when he did the Commentary which we all appreciated as there were a few plants shown not often seen. I'm sure some of us picked up a few more hints on the growing and cultivation needed for these plants, thank you Geoff.

The meeting was closed, thanking all in attendance. Wishing all those not able to attend next month a very Merry Christmas and a happy, healthy and safe new year.

Bye Dorothy,  
8277-1793.

Mr. Lance Davis and *Den.* 'Corona', the plant of the Day winner with Dorothy Carassi.

George Abell giving his Sarc Talk.

Breaking up a Sarc.

### **Meeting Sunday 18th November.**

**Beginners Class:** John Gay spoke at the beginners group. John gave a very interesting talk on mixed genera, members were very impressed with the plants that he took along too talk about. he also talked on how he looked after each of the different genera.

**Meeting:** The meeting opened at 2 pm chaired by president Geoff Spear. Geoff welcomed our guest speaker Kevin Western and his wife Helen. Last month the beginners group planned possible guest speakers for 2013, one being Kevin Cattermole, from Port Pire, who accepted his invitation and will speak to the group in June 2013. Kevin western and John Gay bought along a great display of flowering orchids to talk about. President Geoff Spoke about Hugh Sinclair, who Passed away last month and how he would be missed at the meetings.

**Guest Speaker:** Kevin Western's presentation as always was excellent. Thank you Kevin. Christmas lunch will be held at the Middleton Tavern on Sunday 16th December 2012, please be seated by 11:30 am. The meeting following will be give a gift and receive a gift so could you please bring along a gift to the meeting.

**Apologies:** Syd James Sue and Graham Zerbe .

**Visitor:** Geoff welcomed a visitor, Pam Mitchell, who said that she enjoyed the meeting and would be back next month.

**Judging:** The Plant of the day and the popular vote went to Helen Humphries. The flower of the day and popular vote was *Cym. Scallywag* 'The Crumpet'. Congratulations and well done Helen.

**Judge's Commentary:** By Noel Oliver

The Plant of the day was *Cym. Scallywag* 'The Crumpet'. A well grown plant with 8 spikes with approximately 30 flowers per spike. Plant is grown in a 8 inch pot, 7 green bulbs and 4 back bulbs. Very attractive and well presented with spikes arranged around the pot. The plant was grown by Helen Humphries and well worthy of plant of the day. .

Helen Humphries with Noel Oliver and her Plant of the Day and Popular vote inner *Cym. Scallywag* 'The Crumpet'.

## November Plant Commentary

This month we had two examples of *Cym. Cricket 'Rosetta'* which were benched by Rito and Rosetta Silvestri (**Flower of First Division**) and George Misirlis (**Flower of Second Division**). Both were very well grown, displaying inflorescences cascading down around the pots.

**The Flower of First Division and Flower of the Night:** This was a little larger in plant size than the Flower of second division and carried about 40 cascading spikes which were just a bit longer and with a few more flowers per spike than the second division plant. The quality of the flowers was very good for both plants and the larger of the two plants was chosen as the Flower of the Night due to the longer inflorescences and higher number of flowers per spike.

Both plants had flowers which were 30mm. tall and 25mm. wide. Sepals and petals were pale green overlaid with brown. The labellum was very deep maroon with a pale green column and a cream coloured pollen cap.

Congratulations to Rito and Rosetta for winning **Best in First Division** and **Flower of the Night**.  
 Congratulations to George for winning **Best in Second Division**.

## November Plant Commentary (cont.)

*Cym. Cricket 'Rosetta'* judged Best in First Division and Flower of the night, benched by Rito and rosetta silvestri.

*Cym. Cricket 'Rosetta'* judged Best in second Division, benched by George Misirlis.

*Cym. Cricket 'Rosetta'*

**The Flower of Open Division:** was *R/c.* Sylvia Fry 'Olga' benched by Richard and Beryl Wilson. It was a well grown plant with three inflorescences each carrying two flowers which were 150mm. tall and 140mm. wide. The sepals and petals were pristine white and the petals were nicely frilled (or ruffled) around the edges. The white labellum was ruffled right around the edge and towards the
