MONTHLY MEETING

Our next Monthly Meeting will be held at the RSL Hall, Morphett Vale on TUESDAY, August 10 at 8 p.m..

PROGRAMME

Les Poole and Ross Gowling will conduct a Question and Answer night. Members are encouraged to submit any plant which they consider is not growing as well as it should or on which they require advice.

WINTER SHOW

Exhibitors are requested to examine the plan for this Show with a view to coming to an arrangement with the adjoining exhibitor regarding cooperation in the presentation of the theme chosen. The Show Marshalls do not wish to restrict in any way the self expression of any exhibitor but at the same time ideally it is hoped that exhibits will blend into an overall presentation rather than have sharp divisions of the Seasons.

PUBLICATION GROWING ORCHIDS

Members have previously been advised that The South Coast Club agreed to be a guarantor in the production of a book by the Orchid Club of South Australia regarding the growing of Orchids in South Australia. This publication is about to become available and will be released through Clubs and Nurseries. The recommended selling price of the publication is \$2.50 and the Orchid Club of South Australia is making one copy available to each of its Members at the less than cost price of \$1.00. By reason of the assistance given by this Club by guaranteeing a volume of selling the producing Club is making available to all Members of the South Coast Club one copy at the same reduced price of \$1.00. The South Coast Club will have additional copies available at the recommended selling price of \$2.50. Members desiring additional copies should place their order now with the Treasurer to avoid disappointment. Whilst a large number of copies are being produced the feeling is that copies will sell quickly.

SUPPER

The cooperation of the Members in providing a plate is much appreciated. Will you please continue doing so.
