PUBLISHED MONTHLY

ISSUE NO 7

AUGUST 1981

The next Monthly Meeting of the Club will be held on Tuesday August the 11th at 8 p.m.

PROGRAMME

Mrs Bernie Hansen will speak on "Preparing Plants for Shows".

MOSS GATHERING

The Annual Moss Gathering Picnic will be held on Sunday 13th September. Members are requested to meet at Kangarilla, (the car park near the Meadows turnoff) at 10.15am. All members are invited, even if not exhibiting in the Spring Show, and are ensured of an enjoyable social day.

COMMITTEE MEETING.

The next Committee Meeting will be held on Tuesday 18th August, 7.30pm at the home of Mr. Harry Lambert.

SPRING SHOW

The theme chosen for the Spring show is 'Nursery Rhymes'. This theme was used a few years ago with considerable success and repeating it at 'Colonnades' should enable members to again present a high standard. Members are requested to register their nursery rhyme confidentially with the Show Secretary to avoid duplication. Now that the theme is established it is possible that additional members may now wish to participate with an exhibit. There is plenty of room at colonnades so be in it.

CHRISTMAS MEETING

The Committee have received sufficient support from members present at the July monthly meeting to proceed with the proposed Christmas Dinner prior to the regular December meeting. The hotel selected is the MORPHETT VALE TAVERN and the menu will be:-

ENTREE	Fried Garfish and tartare sauce, or Beef Curry and Rice .
MAIN COURSE	Roast Turkey Breast, Rich brown gravy. Roast Chicken and bacon. Fried Fillets of Whiting. T. Bone or rump Steak . Served with vegetables or salads
SWEETS	Xmas pudding and Brandy sauce. Fruit salad and ice-cream.
COFFEE	Coffee with Afterdinner mints.

The Committee feels that with a positive indication of intent to proceed, that additional members other than those who signed the book at the July meeting, will now desire to attend, and such members are requested to indicate their intentions forthwith. It is intended to call for a deposit of \$5.00 per head, shortly, being $\frac{1}{2}$ of the total cost of \$10.00 per head. It is pointed out that there is no special arrangement for infants.

The next Floral Art Class will be held in the Lutheran Church Hall Windsong Crescent, CHRISTIES DOWNS on Tuesday 4th August, at 7.45pm sharp. By the time you receive this notice the Winter Show will be behind us and the Spring Show will be uppermost in our minds. The schedule for this you will find further down in these notes.

HOMEWORK

Any arr. on the Spring Show schedule.

Demonstration

Something different.

Work in Class

Materials for your own choice of arrangement,. For new members or visitors who wish to participate this means a container, (this does not have to be a recognized container as such, anything that will hold a pin-point will do.) a pin-point, some flowers and foliage, and a pair of secateurs.

Spring Show Schedule.

Open Division.

1. Fruit, flowers, vegetables
2. Something different.
3. Interpretive (Floureau Peninsular)

Div. 1.

1. Modern Arrangement.
2. Free Choice (if interpretive name it).
3. Arr. using not more than 7 orchids.

WHAT IS MEANT BY SOMETHING DIFFERENT.

Something different means getting away from the normal stereotyped modern arrangement. This can be achieved in many ways.

1. The clever use of unusual material in an arrangement.
2. Unusual treatment of material.
3. Unusual container or containers.
4. Any of the new modern arrangement such as Mobiles, Stamobiles, Stables, Freestyle, Abstract Collages etc. See S.A. Judges Handbook for definition of these arrangements.
5. A combination of 2 or more of the arr. stated in no.4.

SO YOU WANT A HEATED AREA

Many growers have found that if an area in the cold glass house is enclosed with heavy plastic then a suitable environment is established for heating with an inexpensive heater thus enabling the to have a heated area suitable for the growing of Cattleyas needing heat, etc. The firm of W.A. Young & Co. are offering the frame only of their economy size shadehouse at the reduced price of \$57.50 and members may contact that firm direct if so interested. As an alternative to heavy plastic there is also an 'air cell' plastic which is much more suitable for the retention of heat.

WINTER SHOW 1981

A CHANGING SCENE

1979 Winter Show in Club room:-
plants benched.

1980 First Public Winter Show
Prize schedule considerably upgraded.
City of Noarlunga awards Club:-
Certificate of Merit

1981 Second Public Winter Show
Miniature and Novelty Cymbidiums displayed
separately from Standard Cymbidiums

Other genera displayed in special area
included:-

Paphiopedilums	15 plants
Phalaenopsis	9 plants
5 other genera	11 plants

As a result of strong exhibiting of Miniatures
and Novelties need established to again revise
prize schedule and to display Miniature and
Novelties separately.

The Committee expresses its appreciation to all
members who contributed to the success of the
Winter Show.
