MONTHLY MEETING

Notice is hereby given that the next monthly Cultural Meeting will be held at the Lutheran Church Hall, Windsong Court, CHRISTIE DOWNS on Tuesday 12th March at 8 p.m.

Our main topic for the night will be a slide programme and talk on cymbidiums presented by Mr. Dean Mills entitled "Oldies but still Goodies and still winning prizes on the Show Bench". Dean a member of our Club is a noted Cymbidium grower and his talk should prove of immense interest to all with our 'Season' almost on us.

We are anticipating a good meeting and encourage members to come along and bring their flowering plants for the monthly plant competition. The trading table will be in operation as usual with the regular supper raffle and the plant commentary given by the judges of the three competitive divisions.

CAN YOU HELP BY VOLUNTEERING TO DO TASKS WITHIN THE CLUB?

There were four men named Everybody, Somebody, Anybody and Nobody. Everybody was asked to do an important task but he was sure Somebody would do it. Anybody could have done it but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought Anybody could do it but Nobody realised Everybody would not do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.
