ISSUE JUNE 1990: It is vital for YOU to read this issue.

NEXT MEETING: Tuesday June 12th 1990
Lutheran Church Hall, Windsong Court, Christie Downs.
Benching of plants to be completed by 7.45pm for judging.
Meeting begins at 8.00pm.

GUEST SPEAKER: Mr. Bruce Mules will speak about Australian Native Orchids.
Those members who traveled to Pt Pirie will have a first hand knowledge of Bruce's enthusiasm and experience in growing Australian Native Epiphytes.

SUPPER: Mrs Trix Anderson

HALL SET-UP: Would all willing to assist please arrive by 7pm.

DAY-TIME CHAPTER: Thursday June 14th 1990, South Brighton Community Hall when Mr Dean Roesler will discuss "Growing Cymbidiums the Dean Roesler Way." Meeting begins at 2.00pm.

COMMITTEE MEETING: Tuesday June 19th 1990, 7.30pm at the South Brighton Community Hall.

TRADING TABLE: Both buyers and sellers had a right royal time at the May Trading Table under the expert supervision of Mr Dennis Daykin. However, at least one big cymbidium spike was broken. Sellers should be careful to adequately stake the spikes, and buyers should look carefully before they handle plants in spike.

AN APOLOGY: The Committee of Management apologizes to all members for the non-delivery of the May issue of the Gazette by post due to circumstances beyond the Committee's control. Copies of the May issue were available at both the Cultural Meeting and at the Daytime Chapter. Some will be available also at the June meetings. However, members who cannot attend either meeting may obtain a copy of the May issue by contacting either the President, Secretary or the Treasurer.

A PLEA: Due to extreme business pressures Mrs Tracey Guppy has been forced to resign. The Club requires an editor for the Gazette as a consequence. Please give this request for an editor your earnest consideration. The President will be pleased to hear from you. Please note that the copying, collating and posting of the Gazette will be handled by a team in future, and not by the editor. This will decrease the work load on the editor greatly.

DAYTIME CHAPTER - MAY MEETING:

Once again the sun smiled for our meeting and the programme still continues the high standard it has had since it commenced. Mr Frank Tucker showed slides together with a most informative talk on "Indonesian West New Guinea."

I am sure everyone enjoyed the magnificent country, but did not envy the living conditions - how lucky we are , even if that favourite orchid will not flower.

Cattleyas, in all their beauty, dominated the plants benched, with Keith Northcote winning the first and second prizes in the popular vote competition and Frank Bell taking the third position.

Raffle plants donated by Kenna Orchids and Keith Northcote sent the winners home with a smile - many thanks for providing the plants.

The afternoon concluded with the very friendly chat over our usual "cuppa."

Next meeting on June 14th at 2 p.m. we will have as guest speaker Mr. Dean Roesler, who will help all cymbidium growers - make a special effort and come along - you will receive help in your growing, make new friends and spend a most enjoyable afternoon.

Kath Harris

AUTUMN SHOW: There was an excellent benching of a great variety of orchid genera at this show when Mr and Mrs Ray Goodall took out the Championship with a particularly well grown and flowered plant of Den. Impact, and Mr Jack Lewis showed a lovely plant of McIna. Pagan Love Song which gained Reserve Champion. Indeed all exhibitors are to be congratulated on the very high standard of plants that we have come to expect at our Autumn Show.

ON THE BENCH: A beautiful plant of Den. Impact, grown by R. and I. Goodall, 1st Division, was selected as GRAND CHAMPION of the Autumn Show. The plant was not large, but carried 2 long arching spikes, of well-formed, clean, fresh flowers. The colour was clear, bright, pink and white.

Den. Impact comes from a crossing of Den. Fiftieth State, and Den. phalaenopsis, made and registered by Kevin McFarlane of Cairns, in 1970. Den Fiftieth State, appropriately enough, bred in Hawaii by Cavaco, also has Den. phalaenopsis as one parent, with Den. New Guinea the other. Den New Guinea is a crossing of 2 New Guinean species, Den macrophyllum and Den atroviolaceum. The colour of Den. phalaenopsis, the famous Cooktown orchid, discovered by Captain Cook, and desired for its intense rich magenta colour, has been softened by the mating with the 2 New Guinean species, which have creamy-white or yellow petals, with purple markings on the lips.

Den. Impact grows well in high temperatures. It should be watered freely while growing, but allowed a complete rest after flowering. The flowers are extremely long lasting, and appear on long spikes from the top of the completed bulb.

Brenda Lynch

1990 WINTER SHOW REPORT

VENUE : Marion Community Recreation Centre, Oaklands Road, Morphettsville.

DATES : Set-up and benching of exhibits will be on Friday July 27th between 2.00pm and 7.00pm.

Judging will be on Saturday July 28th between 7.30am and 10.00am.

The Show will be open to the Public on Saturday July 28th between 10.00am and 5.00pm and on Sunday July 29th between 9.30am and 4.30pm.

Removal of exhibits and clean up will be on Sunday July 29th between 4.45pm and 5.30pm.

The hall HAS to be vacated by 5.30pm.

POTTING DEMONSTRATIONS: Saturday approx. 3.00pm by Dean Mills, Sunday approx 2.00pm by Trish Mills.

MORNING AND AFTERNOON TEAS will be available on Saturday and Sunday. The Morning and Afternoon Tea Convenor, Mrs Trix Anderson, will appreciate your assistance with scones, jam and cream as usual.

EXHIBITOR'S RULES were published in the April 1990 Gazette but note that times given in rules 13 and 14 have been changed as above.

WINTER SHOW PRIZE SCHEDULE was published in the April 1990 Gazette.

SHOW MARSHALL, Ray Goodall, will request your estimate of number of plants you may wish to show at the Winter Show at the June meeting with your confirmation at the July meeting.

TRADING TABLE CONVENOR, Mrs Mary Vaughan, will have trading table forms and labels at the June and July meetings.

SPRING SHOW SEPTEMBER 1990. Members should note that the Spring Show Schedule is the same as that for the Winter Show as given in the April copy of the Gazette.

SUPER AUCTION SUPER AUCTION SUPER AUCTION
 At the June cultural meeting there will be an auction of collectors orchid books from the Club library. Most of these books are old but quite interesting to the orchid book collector. Monies raised will be used to purchase more current books for members.
