NOVEMBER, 1979

MONTHLY MEETING.

Our next Monthly Meeting will be held at the Lutheran Church Hall, Windson Court (formerly Brodie Road), Christies Beach, on Tuesday November 13th, at 8.00 p.m.

PROGRAMME.

Past-President, Mr. John Leeder, will entertain with a talk, illustrated with slides, on his recent overseas trip. Highlights will be orchids displayed at the Chelsea Flower Show, Orchids in Holland, and the picturesque Rhine Valley.

COMMITTEE MEETING.

Our next Committee Meeting will be held at the home of the President, Mr. Keith Northcote, 4 Eucla Avenue, Warradale, at 7.30 p.m., Tuesday 6th November.

SPRING SHOW 1979

The Committee wishes to thank all those members who helped to make the Spring Show so successful, under often trying and sometimes difficult circumstances. Congratulations are due not only to the successful prize winners, but to all who entered the Show for the very high standard of both blooms and exhibits throughout.

The exhibit put in by the Native Orchid Society received very favourable comment, and always adds a special note of interest to the Show.

The floral art work was well received and the sale of flowers which grossed over \$1600 was an excellent effort. It is thought that more coloured blooms could increase sales even further.

The plant sales grossed over \$2,500 and again plants in bloom, especially with coloured flowers, were most sought after. We could not get enough of them!

Special mention must be made of the generous donations of quality plants by Mr. Harry Krastins for the plant sales table, and of the flowering plant of Pelleas 'Turantot' made available by Mr. Ross Gowling for Mrs. E.R. Newberry, The Mayoress of Marion.

Special mention and thanks are due to a large number of members who worked hard to make the Show the success it was. In particular, the Committee wishes to record the particular efforts of Mr. Merv. Donhardt as Registrar of Judges, Mr. Merv. Strout as Show Marshall and all those who helped at Marion in many, many ways, especially Mrs Lois Hansen and Mr. John Leeder and the teams that worked at selling flowers and plants.

Floral Art

LIASON MEMBER TO GENERAL COMMITTEE:

MRS. LOIS HANSEN

INSTRUCTOR:

MRS. IRIS HUTCHINS

Congratulations girls on a very fine effort in the Floral Art Section of the Spring Show. Some of the arrangements were of a very high standard, while the material used in many had been used very creatively which resulted in some very interesting and eye-catching arrangements that had great appeal to the public in general. The overall standard of this section of the Show was very pleasing.

FOR THE NOVEMBER MEETING.

Please bring any arrangement you like, or as many arrangements as you like for homework. Also bring material to do a Christmas arrangement in class.

Here are a few things to watch when getting your arr. ready for the homework bench.

1. Don't have your arr. too wide at top.
2. Watch your gradation.
3. Don't overcrowd, give your material breathing space.
4. Watch your line.
5. See you have a good focal point. Scale. Is the container and material to scale.
7. Balance. Don't have your arr. leaning forward at top.

In concluding congratulations to all the prize winners, keep up the good work.
