DAY-TIME CHAPTER.

The second meeting of the Day-Time Chapter was held on Thursday, 12th November and was well attended by a very friendly group of people.

After a welcome from Mr. Keith Northcote, Mr. Bob Nicolle from Valley Orchids, showed slides of the World Orchid Conference held last year in Japan. This was accompanied by a very interesting talk on the many varieties of orchids he showed, and also how the Japanese use orchids as pot plants. Mr. Nicolle also had slides of Taiwan and the numbers of orchids being grown there for sale came as quite a surprise to those present.

Three very good cymbidium orchids were raffled, much to the delight of the winners and the people present enjoyed a friendly chat over the "cuppa" served by the hard working ladies from South Coast Club. If you want an entertaining, friendly afternoon, come along to the next meeting on December 10th at 2 p.m. at the South Brighton Community Centre - you will enjoy the wonderful Club atmosphere already created and also learn about orchids. It is hoped the videos of the Winter and Spring Shows of the Club will be shown.
