THE NEXT MEETING of the South Coast Orchid Club will be held at 8pm on May 9th, 2000 at the Calvary Lutheran Church, Windsong Court, Morphett Vale.

THE GUEST SPEAKER will be Reg Faulkner who will speak on "Cattleyas My Way"

A BIG THANKYOU to Geoff Spear who donated the orchids for the raffles at the April meetings.

MEMBERS willing to help with the setting up for the meeting please be at the hall by 7.00pm.

DAYTIME GROUP will meet at 2.00pm. Thursday 11th May 2000 at South Brighton Community Hall, Dover Square, Broadway South Brighton. The guest speaker will be Ian Kilpatrick who will be speaking on the bits and pieces he uses for his orchid growing. Everybody welcome.

AUTUMN SHOW

With the Autumn Show at Colonnades upon us, The committee/ Show marshals request members to bring any flowering Orchids (including those not being put on the show bench) to be put in the display.

It is important that we put on a good display for the public to enhance the reputation of the club and to ensure our continuing good relations with the Colonnades Management.

Further details inside.

COMMITTEE VACANCY

There is still a vacancy for the position of **Second Vice President**. A full committee is absolutely necessary for the club to function efficiently so please give this position some thought—see Murray about this.

AUTUMN SHOW

This show will be held in the usual area on the second level that we have used in the last few years. The entrance being down beside the Colonnades Tavern.

Put in is from 9:00am with judging to commence at 10:30am.

Please wait until the show marshals permit entry to the judging area so your plants can be put in the correct location for judging.

Members who wish to show plants at the show are reminded that they must be financial members of the club.

Your show number, which is next to your name on the address label of this Gazette, and the name of the plant must be on the appropriate coloured label and clearly displayed on the plant (Yellow for 2nd Division, Buff—1st Division, Green for Open Division). These labels will be available at put in if you don't already have them.

There will be only a single display and this will be arranged by the committee. Plants will be judged before being put in the display.

Assistance will be required for typing place cards, accepting plants, and assistance to the judging panel.

Take out will be at 5:00pm on Saturday 13th May. The trading table will close at 4:00pm
