Our next meeting will be held at the Morphett Vale R.S.L. Hall on Tuesday November 11th. at 8 p.m. Please have all plants for competition tabled by 7.45 p.m.

The night is to be a question and (hopefully the "right") answer night. We hope to have a distinguished panel of ~~three~~ distinct "Clones". Clowns is spelt with a 'w' less 'e', so here is a chance to get your problem solved. Any question on any Genera will be accepted, so if you are having -

"problems with your Paphs"
"Crises with your Catts" Or
"Slugs with your Cyms"

your problem will be discussed. Now don't read on. Write down your problems now, while you are thinking about them. Do not say 'I'll have a little think later. The Committee has an awkward job in coming up with speakers and items for our monthly meetings, and it is always the same "Old Ones" that have to put on their thinking caps, so now it is your turn. Remember "NO QUESTIONS - NO ANSWERS" and that will make for a lousy meeting. Have you written out a couple of questions? Good, well now you can read on.

NEW MEMBERS

We welcome the following new members to our club.

Mr. & Mrs. Rees, 47, Yarmouth St., Brighton. 5048.
Mr. & Mrs. J. & E. Green, 61, Kingston Ave., Daws Park. 5041.
Mr. & Mrs. Y. Piechnick, 15, Brigalow Ave., Seacombe Gardens. 5047.

If possible a slide problem is also being arranged, but confirmation is not yet at hand. (Editors note: I trust it will not be the same slide problem we had last month.)

At our Christmas meeting Santa Claus will be calling again, and anyone who wishes their children to get a gift must be at the next meeting to supply the Secretary with the Name, Age & Sex of their children, otherwise they will miss out. Also, due to inflation plus a decrease in the quality and quantity of goods, the committee has decided that this year the exchange presents for male and female should be of approx. \$1.00.

Our Spring Show.

Who said there was no "Magic in Orchids". As the Show Marshall I can only say a humble THANK YOU to all exhibitors, my fears were unfounded, what a magnificent show, every exhibit was an effort worthy of commendation.

The quality and the ingenuity of the members was only matched by the quality of the Orchids exhibited. In my humble opinion this would have been one of the best shows we have staged, and with all modest due respect, I think I could say one of the most interesting for public appeal to have been staged in this State. There was something for everyone, from toddlers to 'Old Dears'. Even the floral art section is getting better, the girls must be very proud of their effort. This section should never be dropped, as there were always people perusing this section. I thought the class using a magical theme was very interesting. Why some people asked me about ideas, I'll never know, none of mine were anywhere near as good as those on display. So there we have, no matter what over-all theme is used with some homework and ingenuity an Orchid Exhibit can be transformed in to a thing of interesting beauty. Once again a humble thank you.

Many remarks were heard during the show, including those from interstate and overseas visitors, which makes one very proud to have any association with such a commendable effort.

Mr. Roy Hargreaves has some very good slides on the show and the floral art, which he will be showing at our November meeting.

Would any member who received a wrongly printed award card and would like to have it altered, please see Mr. Lou Carr (Secretary) at the November meeting.

Obituary

All members will regret to hear of the passing of our past patron Sir Francis Matters, who has shown continuous interest in our club. Less than one week before he passed away, we had the pleasure of a visit from Sir Francis and Lady Matters at our Marion show.

We wish to extend our deepest sympathy to his wife and family.

LOTTERY RESULTS

Our lottery was drawn at Marion by the new Miss South Australia (now Miss Australia) Miss Sharon Betty, in the presence of our patron Mr.L.R.Gray Mayor of Marion, and Mr. Ralph Barter representative from the Woodville Spastic Centre. A cheque was handed over for the Spastic Centre for \$690.

1st.prize Mrs. E Dennis, U/2 2A, Beaufort St., Woodville.
2nd. Gwen Callimicos, 9, Eastry St., Norwood.
3rd. N. Matheson, 45, Cross Road, Kingswood.
4th. Mr. N. Crossman, C/o Transfer Dept., S.A. Gas Co.
5th. Mrs. L. Coles, C/o S.A. Housing Trust, Torrensville Depot.

We understand that Mrs. Dennis, the winner of the shadehouse, has been a very hard worker for the Spastic Centre for many years, and that the shadehouse has been donated to the Centre and is already erected on their lawns.

Note from 'The Observer'

Made a visit to Angus Hall at the showgrounds the other Tuesday evening , where on display were floral art exhibits by members of the Floral Art Judging School.

It was a very colourful display, especially the dressing of about twelve lady members of the South Coast Orchid Club. I thought our ladies enjoyed the evening immensely, as did Sandy. He thought that the cocktails were really something.

I feel, our ladies learnt little about the art, as their arrangements at Marion, as I saw them, lost nothing in comparison.

Incidentally, congratulations to Mrs. Laurel Packer, who judged the floral art at our show, on winning the Championship at Angus Hall.

Special note to members.

Once again we ask you to supply us with any interesting news items or cultural advice etc. If you read any little item that you find interesting send it to Mr. B. Hansen or Mrs. Iris Nash for inclusion in our monthly bulletin. Or if any of you have any funny or interesting experiences, these all help to make up a better bulletin.
