Issue No.7

AUGUST-July, 1985

MONTHLY MEETING

Notice is hereby given that the next monthly Cultural Meeting will be held at the Lutheran Church Hall, Windsong Court, Christie Downs on Tuesday 13th August at 8 p.m.

Our main topic for the evening will be "Building an Orchid Nursery" presented by Mr Graham Guest who is a committee member and Editor of the Gazette of the O.C.S.A. Included in his talk Graham will discuss his ideas on Igloo Shadehouses with an emphasis on security. The programme will include breeding lines and a laboratory. Once again this talk will prove to be an informative and entertaining one, with I am sure. a lot more plants being benched as we move well into our main flowering time.

WINTER SHOW: 1985 proved once again to be very successful, with our new Show Marshall, Stephen Monkhouse in charge. To the successful exhibitors Congratulations to those not so successful as to win prizes, thanks for presenting your plants.

TOWNSVILLE ORCHID CLUB BLOOMS:

We were very fortunate once again to have some magnificent blooms sent for us to display at our show. To the Townsville Club members and to those who supplied, packed and sent your blooms to us, a word of appreciation from we fellow Orchid Lovers down South.

SHOW MARSHALL REPORT ON WINTER SHOW:

Just a few words of thanks to the willing workers who attended on setting up night, we were overwhelmed at the support which we received Mrs Mary Vaughn was in charge of the Trading Table and reported the club members supported and worked willingly all week and a very satisfactory financial result was forthcoming, benefiting the club and club members alike.

A special word of thanks from Mary is extended to all who assisted but in particular those who assisted in accepting and listing members plants that were for sale. The support of the Colonnades Management and businesses within the complex was most appreciated and we look forward to their support for our SPRING SHOW later in the year.

NEW MEMBER:

Mr. J.C. Marsh of WHYALLA.

MONTHLY GAZETTE:

This is the last issue unless a volunteer is found to produce it.

THE SOUTH COAST ORCHID CLUB OF SOUTH AUSTRALIA INCORPORATED

Best Specimen Intermediate Cymbidium		
Open Division	Mini Dream	W J Nicholls
2nd Division	Kurin 'Magi'	

IMPORTANT NOTICE

The attention of members is drawn to the fact that Show Rules stipulate that all plants exhibited shall be correctly labelled - this includes the exhibitor identifying himself/herself by using the exhibitors number allotted to him/her by the Club.

In the 1985 Winter Show plants were labelled with incorrect exhibitors numbers - this may dis-qualify the plant.

Members will find their exhibitors number after their name on the envelope which contains their monthly Gazette. If no number is showing then the member may apply to the Show Secretary for a number. In cases where a member is also a member of the Orchid Club of South Australia every endeavour is made to see that the member is allocated the same number in South Coast Club.. If any member does not enjoy this benefit then please see the Show Secretary.

N B In every category if no prize is recorded then no prize was awarded

AUSTRALIAN AWARDS FOR 1984

The Australian Council awards Certificates for plants nominated by the various State judging panels and for the first time the Australian Orchid Review has published in color photos and descriptions of all plants awarded for 1984. Copies may be obtained through the Club at a cost of \$6 per copy and members should place their orders promptly to avoid disappointment. Highly recommended to all members.
