Many happy hours were spent at the main Club, afternoon group, Species Group, and Southern Regional Group; a big thank you to Guest Speakers Judges and everyone else who helped to make 2005 so successful and of course you the members because without you all we would not have such a successful Club.

2006 will see the formation of the Cymbidium Appreciation Group; much interest is being shown in this group.

Three plant visits are being organised another interstate speaker, such an exciting year is being planned.

From all of the Committee a Very Happy New Year.

PLEASE DON'T FORGET the first Wednesday of the month!

Good Growing!

Kind Regards,

Geoff

## **SOUTHERN REGIONAL**

Happy New Year and A Very Happy Birthday

Christmas lunch and meeting was a great success with 30 members present.

A big thank you to John Gay who was our Guest Speaker.

2006 will be a wonderful year for Southern Regional Members. You have now purchased many great orchid plants of different genera, now have the knowledge how to grow them and most important a lot more friends with a common interest to swap ideas with on how to grow these wonderful plants.

November meeting we discussed Eileen Pinnock sending out cards to members who are ill etc. Eileen's phone number is 8552 7606. You may like to give her a call if you know of a special birthday, Bereavement, or someone who is in hospital, a card just shows we care and is a nice gesture on behalf of our members.

Your meetings are now the 3<sup>rd</sup> Sunday of each month.

Next meeting;

19<sup>th</sup> February **please note** times etc on front page.

## **PLANTS WANTED**

Members you may have plants you would like to donate to our Club. The Club always gives new members a plant, that together with birthday plants and the Lucky Badge draw, makes a fair drain on plant resources. You may be able to help, please phone Lucy on 8381 4420

P.S Old wrapping paper and ties would also be appreciated.

## **OUTGOING COMMITTEE MEMBERS**

President – Geoff Spear

Vice Presidents - Ron Parish and M Baulderstone

Treasurer – Judy McRedmond

Secretary – Lucy Spear

Committee – Dorothy Carassai; Henk Van Leuveran; Vannessa Talbot, Merve Steele David Cammack Des Alsop

## **2005 MONTHLY FLOWER OF THE NIGHT COMPETITION**

Kevin & Helen Weston*

## **A Judge's Reflections – 2005**

The South Coast Orchid Club Committee have greatly supported the function of Judging and the Judges who have volunteered to assist again this year.

It is recognized that two special Judge's meetings need to be conducted each year to consider the procedures being put in place in order to provide the best possible judging outcomes for you, the members. At these Judge's meetings we look at the monthly meetings and Major Shows, with some comments and suggestions – some I have high lighted here as follows:

### **Monthly Meetings:**

1. There is still need to fine tune how orchid plants can be quickly placed on the allocated benches, with out damage and in their correct location for the judges. There is not a lot of spare room to move in this section of the hall and so members are asked not to try to place their plants on the benches. Judges are rostered to accept your plants and locate them appropriately.
2. At the Judge's meeting, rosters now have been completed for Registrar of the evening, nominated Judges for each Division, plant monitors and Pencillers.
3. An updated check list for the acting Registrar of Judges was presented by Ron Parish, which was appreciated.
4. Also the monthly meeting set of Pencillers sheet sets where given to the acting Registrar.
5. It was considered that the judging system and recording at Monthly meetings has improved. It can be further assisted if members continue to take care with the correct spelling of orchid names – if in doubt, please ask on of the judges.

### **Major Shows:**

1. It was noted that a lot of time and effort was required, where plants were judged at one venue and then transported to a different location to be displayed for the public. Thanks go to all who assist.
2. The schedules and procedure for judging, continue to be of the highest standard.
3. Comment was made by members how they appreciated seeing some of the closing stages of the judging for Champions, at the 2005 Spring Show, in the hall. I believe a similar format will be used in 2006.
2. Ian Attenborough was congratulated on successfully completing the A.O.C. Judging course and is now a Nationally recognized qualified orchid judge. Ian has 'acquired' the club's Judge's Manual and agreed to assist with the 2006 major show organizing, assisted by Richard Fishlock.

Prior to the November Judge's meeting, a panel considered the nominations for the recently created Les Nesbitt species trophy and the Reg Shooter hybrid trophy. Congratulations to Ron Parish for his orchid, *Gongora scaphephorus* 'Nut Meg', which received a South Coast Orchid Club Cultural Certificate, during the Judge's meeting.

Pencillers Course.

It was pleasing to see that six members completed the course this year. These members and the club, will all benefit from this exercise. All are thanked for their support and encouragement.

Thank you to all the judges who have volunteered their time again in 2005. Congratulations to all members for the improved efforts you have made in presenting your plants this year. Even if you don't win a major prize, by bringing in your orchids you are supporting our club.

Good growing in 2006. Richard Fishlock.

Other plants of interest benched on the night

Hi Everyone

Well its Christmas time again, it's hard to believe it's come & gone again so soon, time just seems to fly when your having fun.

I believe all the Daytime Group members had a great afternoon entertainment , Christmas carols were sung, perhaps not as loudly or as clear as last year, as we're all a year older since we all last sung together, I'll have to look into getting some music to help and guide us a bit, it was all just a bit of fun, so it doesn't really matter, everyone was happy and smiling so the aim of the exercise was accomplished.

Mr. Noel Oliver was our guest speaker today, he always manages a great presentation, dividing and repotting large and Native Dendrobiums, he explained fertilising, bark size and all the necessary procedures to encourage flowering, he also bought along some small plants in tubes for sale, which the members were able to purchase, a couple of the members potted up a few plants, which is really an excellent way to learn under Noel's watchful eye. Thank you Noel, for a great presentation, I'm sure we all learnt something.

The number of plants benched today were down a bit but that is to be expected as it's getting a bit late in the season now, so it's now time for repotting and fertilising (and threaten them over the rubbish bin if they don't perform next year) it can be a busy time for some of us.

Mr. Bill Clark's *Encyclia Baculus* X *Encyclia prismatocarpa*, was voted best on the bench today a lovely plant, unusual, similar to *Encyclia cochleata* but the lip was a very pretty mauve, Noel did the plant commentary and that was great as we all learnt a bit more on what was benched. Thank you Noel, and congratulations Bill.

As a fill in today while Santa was arriving, three of our members told a few jokes, Noel was the instigator of this, it was an entertaining times as everyone had a good laugh, and just a Santa came through the door, a huge clap of thunder sounded, he certainly knows how to make an entrance.

A big thank you also to Mr. Denis Cook for this months raffle plants, this is very much appreciated, Merry Christmas Denis. Hank Van Leuveran was the lucky winner of our Squares Raffle, a box filled with all sorts of goodies, very usual for orchids of course, thank you to all who participated in the fund raising venture.

The meeting was closed, everyone then had afternoon tea, a lovely assortment of food bought in by the members, Christmas greetings were then exchanged by all before leaving.

I would like to now to wish you all a Merry Christmas and a very Happy, Healthy and Safe New Year, please take care, and we'll all catch up in 2006.

Bye
